

Costume Portfolio Instructions

Portfolio is for viewing purposes only and will be kept strictly confidential.

As working professionals, we understand that you may have continuity photos in your portfolio; make sure credit is given and clearance of photos is gained if they are coming from motion picture projects.

- Include any work that you feel demonstrates your skill level
- Photos should be unedited
- Social media or IMDB pages are not permitted
- Recommended links to use: Google Drive, Dropbox or your own URL to your portfolio website
