

CHRISTON JONES

Candidate for IATSE 873 Convention Delegate | Executive Board Member

About Me:

I have been working with IATSE 873 over the past 10 years. As a Construction Member, I've had the pleasure of building interesting scenery and working with incredibly talented technicians. Training is important to me, I have taken further educational training through our training centre and have become an instructor myself.

Additionally, I am a Navy Corporal in the Canadian Armed Forces. I have gone through extensive disciplinary and continued ethics training. Which I believe will help me in making the right decisions for us as a member of both our Executive Board Team and as a Convention Delegate. As looking out for my fellow technicians is JOB # 1!

Qualifications:

Red Seal Carpenter

IATSE Shop Steward

Joint Health And Safety
Committee Member Level 1 and 2

Workers Health And Safety
Centre Certified Instructor

IATSE 873 Term Goals:

- ♦ Training and task specific education for our many operators..
- ♦ Advocating for Positive change, diversity and inclusion in our places of work.
- ♦ Being AT the table, to voice the concerns of our membership, and bargain for our collective agreement.
- ♦ Seeing that our membership continues to be a part of the world stage with improved safety records, safe sets, and cutting edge technicians.
- ♦ Promoting youth outreach, and establishing structured departmental apprenticeship programs are important for the future and stability of our working family. Let's Make a Difference Together.
