CHARLI MOCON

FOR DELEGATE

Sisters, Brothers, and Kin,

My name is Charli Mocon and I am hoping for your support in securing a Delegate position this term.

I am a member of your Construction Department and have been a proud member of 873 since 2016.

I have spent the last 8 months as On-Set Carpenter and Crew Rep on Beacon 23. Bridging from pre-production shop work to the shooting floor has allowed me to better understand the wide array of crafts and technicians 873 represents. Serving as Crew Rep has deepened my understanding of our Collective Agreement, Constitution & By-Laws, and the unique difficulties in different departments.

As a Delegate, I would continue to take an active role in this local by staying informed, seeking educational opportunities, and engaging our workforce in Union happenings. The opportunity to attend Conventions would allow me to learn from other locals how we might continue to grow and improve in 873.

Thank you for your time and consideration.

In solidarity,
Charli Mocon
