

Jeff Travaglini

Executive Board & Convention Delegate

I have been a member of local 873 in the Craftservice department for the past 23 years. During my time and experience in the union, I feel I have gained a confident understanding of our Constitution/By-Laws and collective agreements. I have been involved with the Craftservice committees since their inception. I've been a certified JHSC member since 2016, and served on multiple productions as the health and safety rep and production worker rep.

While I have spent the majority of my career in the construction department, I have worked alongside a multitude of other departments including; Grip, Electric, Scenic, Set Decoration, SPFX, Transport and the Costume Department.

This vast variety of experience within the union has provided me with the knowledge to recognize the needs of our individual departments and the membership as a whole. As someone who has been fortunate enough to call "*the best part-time job*" a career, I would appreciate your consideration to be part of this next **Executive Board & Convention Delegate**.

Yours in Solidarity,
Jeff Travaglini
