

Michael Lee Taylor

Candidate for The Executive Board and Delegate

Hello Sisters, Brothers, & Kin

I am happy to accept my nominations for Executive Board and Delegate.

During the past few years, I have been fortunate to have served on two committees with Local 873. As part of the Young Workers Committee, I have been proud to represent the younger voice within our Union.

More recently, I served as a member of the Constitution & Bylaw Reform Committee, where my fellow peers and I successfully proposed amendments to the membership. Together we have modernized and reformed rules we believe and hold ourselves too.

I have been a member of Local 873 since 2017. Prior to emigrating to Toronto I spent ten years working in the UK film industry. Many of you have become good friends and colleagues and have supported my transition and provided me with a wealth of knowledge about the Toronto industry. For that I am very grateful and I am here to build on that knowledge and return that support.

If I am elected, I promise to continue to uphold the values I most believe in. I am passionate about sharing knowledge, being diligent, fairness, health and safety, striving for better working conditions, improving work/life balance, and following the will of the majority.

I look forward to receiving your support. If you have any question please do not hesitate to contact me to discuss.
