

PATRICIA BOULDEN- Convention Delegate

I.A.T.S.E. Local 873 - Member 2003
I.A.T.S.E. Local 892 – Member 2017 -Assistant Costume Designer

For those of you who don't me, I am Patricia Boulden , 19-year member of the Local 873 Costume Department .

My experience serving on four terms of Costume Department Committees as Recording Secretary, Pay Equity Committee Member for Local 892 – Costume Guild, and most recently the Local 873 Women's Committee, has been rewarding for skills sharing and knowledge of issues for all members. The union continues to grow and education will be fundamental for new members coming into the local.

I support and have contributed to the Costume Department Training. My job description as Costume Supervisor requires good knowledge in Health and Safety Training for Supervisors.

I am grateful to the past administration for the new initiatives for training and the incredible range of Safety courses now available . As your Delegate , I look forward to speaking with other locals from Canada and the United States to bring back progressive ideas to the Local ,including ongoing efforts for Pay Equity discussions.

I am honoured to be nominated as your Convention Delegate.

Please vote for me as **Delegate**. Thank you !

In Solidarity ,

Patricia Boulden
