

Hello and welcome to the history of Phil Scarfo at IATSE 873:  
As a permit, I was a volunteer for the world's greatest children's Christmas party (aka the IATSE 873 Christmas party) for a number of years and I carried on that tradition once I became a member. I started permitting for IATSE 873 as a driver and I was sworn into the craftservice department in June 2008. In April 2011, I transferred into transport. I served on the first ever IATSE environment committee anywhere in North America under Bob Hall. Under President Hall, I served as a teller for a number of contract ratification votes because of my experience in municipal, provincial and federal elections. I have also chaired a union election under President Wayne Goodchild, working in conjunction with Barry Goodwin on a number of elections with IATSE 873. I was an appointed Sergeant-at-Arms for a great number of years working with then elected Sergeant-at-Arms Darrell Downey and I am currently the elected Sergeant-at-Arms serving under President Angela Mastronardi currently.

I am also a proud member of the IATSE 873 Transport Committee.
