MY IATSE 873

- I'VE BEEN A MEMBER SINCE 2016
- CURRENT CRAFTSERVICE COMMITTEE MEMBER AND RECORDING SECRETARY
- CURRENT YOUNG WORKERS COMMITTEE MEMBER
- PARTICIPATED AT THE LAST ROUND OF 873 CONTRACT NEGOTIATIONS
- ACTIVE PARTICIPANT DEVELOPING COURSES WITH OUR TRAINING CENTRE

ABOUT ME

I am a member of the Craft Service department, currently working as a Scenic and Construction tracker. As a third generation IATSE 873 member the success of our local is extremely important to me. I am fully aware of our Union's history, and I embrace our future. I was born into the labor movement, and I am passionate about improved wages and better working conditions.

WHAT'S IMPORTANT TO ME

- More training for all departments. In fact, this last year I assisted with the development of a tracker 101 course.
- Better wages and increased benefits. Our wages must catch up with inflation.
- Health and Safety in the workplace. I am certified in both JHSC 1 and 2. It is important to me that these courses continue to be offered to our members and permits.
- We need to educate more members on their rights. We need to provide members with a "Coles notes" version of the Constitution and By Laws and of the Contract.
- We need to educate all members so that everyone can be an active participant.
