## **WHO I AM**

I am a 35-year member with IATSE 873. As a young man I started my career as a laborer. Shortly after, I began my career in the Construction Department, where I am now a Construction Coordinator. As a Head of Department, I place an emphasis on Safety. I have served many terms on the Executive Board. As an Executive Board member, I know it is my duty to represent every single department.

## **WHAT I HOPE TO ACHIEVE**

- Inflation adjustment pay - with an increase in both wages and benefits.
- Improved Working Conditions
- Stronger Turnaround language
- Increased paid travel time outside the border
- Paid parking on all locations
- Increase in pension contribution from our employers
- Implementation of a Union Retiree Pension Plan
- More training available for members in all departments
